

Brooklake Country Club

Florham Park, New Jersey

Brooklake Country Club located in Florham Park, NJ, is a meticulously maintained 18 hole golf course set in beautiful surroundings. Davies Associates Landscape Architects, LLC was invited to design a patio in back of the club house, new plantings at the entrance, and a new gazebo. The patio provides the setting for weddings and other receptions while the gazebo is the perfect focal point for wedding photography. Flowering plants throughout the grounds add color and seasonal interest, and create a gracious and inviting entry to the club.
